

Child Care Centre Entry Immunization Form

Chatham-Kent Public Health is required by law to keep up to date immunization records for every child attending a child care centre. The immunization records are monitored in order to protect your child in the event an outbreak of any vaccine preventable disease occurs. If you are unable to immunize your child for medical reasons, or choose not to have your child immunized, please contact the health unit at 519.355.1071 ext. 5900 to arrange for an exemption form for your child.

Please complete this form and attach a copy of your child's immunization record.

Please return these forms to your child care centre.

Date: _____

Name of Child: _____ Female Male
(LAST NAME) (FIRST NAME)
