Potential COVID-19 Exposure at Red Barn Brewing Company

Dr. David Colby, Medical Officer of Health for Chatham-Kent is advising unvaccinated and partially vaccinated patrons who received table service at the **Red Barn Brewing Company**, 20466 Lagoon Rd, Blenheim, Ontario on Friday, July 23rd between 6:00 p.m. and 10:30 p.m. or Sunday, July 25th between 10:00 a.m. and 4:00 p.m., that they may have been exposed to COVID-19.

Anyone who received table services at these times should self-monitor for COVID-19 symptoms. Individuals who develop symptoms must self-isolate and should book an appointment at the COVID-19 Assessment Centre for testing.

While low-risk contacts are instructed to [monitor for symptoms](#), they are not required to isolate unless symptoms develop or they are otherwise instructed to do so by Chatham-Kent Public Health. Information on booking a testing appointment is available here at <https://ckphu.com/covid-19/>.

Individuals who are not vaccinated or are not fully vaccinated with two doses, can decrease their risk of exposure to COVID-19 by receiving the COVID-19 vaccine. Information on upcoming clinics and options for vaccination can be found at <https://ckphu.com/covid-19-vaccination-clinics/>.
