## **Verify Ontario Scan Results**

After having your QR code scanned there will be one of the following results:

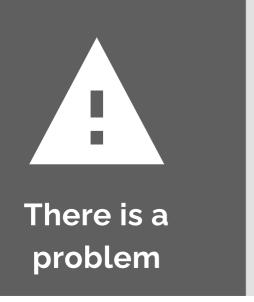

## Verified:

- the QR code meets the requirements for entry
- please present your ID for confirmation

## Does not meet one of the criteria:

- the visitor is partially vaccinated
  or
- 14 days may not have passed since the visitor was fully vaccinated

## Scan failed:

- the QR code is issued by a province, territory or country that uses different type of QR code
  - or
- is issued by a non-government service
