BOIL WATER ADVISORY RESCIND NOTICE

The Boil Water Advisory issued on November 9th, 2022 for the Wallaceburg Distribution System on the Chatham-Kent Municipal water supply is NO LONGER IN EFFECT

CK Public Health has received the test results from the water samples taken on November 10th and 11th, 2022. These tests confirmed the results were satisfactory.

Based on these results, the Medical Officer of Health, Dr. W. David Colby, has rescinded the boil water advisory.

If you have any questions or concerns, please call CK Public Health at 519.355.1071.

The Boil Water Advisory is no longer in effect.
