- 5. Municipality of Chatham-Kent Tilbury Municipal Office (17 Superior St., Tilbury)**
March 3rd, 2025
9:30 am – 12:10 pm
- 6. ONroute Tilbury – 401 Westbound**
March 1st, 2025
5:00 pm – 8:00 pm

If you were present during these timeframes and are not up-to date with your vaccinations, please call CK Public Health at 519-352-7270 ext. 5902.

If you are experiencing symptoms of measles and need to visit a healthcare provider, emergency department or walk-in clinic, call first and tell them you have had an exposure and measles symptoms. Symptoms can include a fever, runny nose, cough, drowsiness, irritability, and red eyes. A red rash appears on the face 3 to 7 days after the start of the above symptoms. The rash may start from the face and progress down the body.

It is important to note that the majority of individuals are vaccinated against measles, providing them with protection against the disease. As such, the risk of contracting measles remains small to the broader community. However, as a precautionary measure, we urge all individuals to ensure they are up-to-date on their vaccinations.
