

**Media Release****November 5, 2025****RSV Vaccine Now Available Free for All Residents Aged 75+**

CK Public Health is reminding individuals that the RSV (Respiratory Syncytial Virus) vaccine is now free for everyone aged 75 and older, a significant expansion of eligibility compared to previous years.

**How to Get the Free RSV Vaccine (75+):**

- **If you have a family doctor or nurse practitioner:** Book an appointment directly with your health care provider to receive the RSV vaccine for free.
- **If you do not have a healthcare provider:** CK Public Health will be offering the RSV vaccine by appointment only. Call 519-352-7270 ext 5902 for more information.

**Please note:** RSV vaccine is not available via pharmacies under the publicly funded program; it must be administered through eligible health-care providers or public health unit.

**Also Available: Free Flu & COVID-19 Vaccines for Everyone 6+ Months Old**

Influenza and COVID-19 vaccines are also available free of charge to all residents aged six months and older.

- **Flu Vaccine:** Offered through your healthcare provider, participating pharmacies (2+), walk-in clinics, CK Public Health, or via the Mobile Care Bus.
- **COVID-19 Vaccine:** Available at participating pharmacies (5+), CK Public Health, or via the Mobile Care Bus.

These immunizations can be co-administered for convenience and to boost community protection during respiratory season.

For more information or to schedule an appointment, please contact CK Public Health at 519-352-7270 ext 5902 or visit [ckphu.com/respiratory-illness](http://ckphu.com/respiratory-illness)

Stay protected this season, get vaccinated today!
